

From Your House,  
To Our State House, To The White House,

# TOGETHER

*We Can Make A*

# DIFFERENCE

*Working* **TOGETHER WITH YOU**, *our members, HCC and its collaborative partners will* **SPEAK WITH ONE VOICE** *to* **PRESERVE OUR PANIOLO CULTURE** *and provide for a* **SUSTAINABLE FUTURE FOR THE NEXT GENERATIONS.**

Hawaii's ranchers go to work every day not thinking about just our generation but working to provide that opportunity to future generations. As our industry continues to face mounting challenges from multiple factions, HCC will continue to bring a fresh and innovative approach to addressing them.

We realize you have many demands on your funds, however working together, big or small - over 2/3 of our members have less than 100 head of cattle - we can make a difference. HCC is the grassroots beef industry organization dedicated to protecting and promoting the Hawaii Cattle Industry at the state & local levels, as well as on the national level in liaison with NCBA.

**PLEASE STAND WITH US & SUPPORT OUR EFFORTS  
BY JOINING HCC & NCBA**

Your membership dues provide you with the benefits of membership in your County Cattlemen's Association, Hawaii Cattlemen's Council & the National Cattlemen's Beef Association. As the only unified affiliate of NCBA, HCC members receive a 20% discount on their NCBA membership.

# HOW WE ARE WORKING FOR YOU

## Animal Health & Well Being Committee:

This committee works with our producers and processors to ensure ethical and humane handling of the animals within our care.

## Governance Committee:

*Subcommittees: Nominating | Strategic Planning*

This committee works to ensure the viability of the organization for future generations.

## Government Affairs Committee:

*Subcommittees: Federal Outreach | CTAHR*

This committee provides advocacy on substantive issues such as Environmental Regulations; Property Rights & Tax Issues through productive professional relationships with state elected officials and government agencies.

## Land & Water Issues Committee:

*Subcommittees: Invasive Species | Irrigation | Hawaii GLC*

This committee provides advocacy in environmental issues including Critical Habitat, Endangered Species Act, and the management of our natural resources and ecosystem services that our industry provides to the general public.

## Marketing Committee:

*Subcommittees: Positive Imaging*

This committee has taken an active role in increasing demand for local beef through in-store demonstrations, cookouts and other public events to inform and educate consumers.

## Membership Committee:

*Subcommittees: Scholarship | Leadership Development | Convention Planning*

This committee is working to provide for an increase in our member base focusing on ALL ranchers, as well as associate & younger generations. In addition, they serve to provide educational opportunities for our members including our Annual Meeting and Convention.

## Transportation Committee:

This committee provides advocacy regarding transportation practices and has been instrumental in the development of a transportation system that allows ranchers to ship their cattle as efficiently and humanely as possible.

## LEGACY

*our identity, our beliefs  
& values*

## INTEGRITY
